I am told that used coffee granules are good to put around plants for nutrients and keeping the slugs at bay. With this in mind I am happy to keep Sunday morning remains for anyone who would like them. Please let me know if you are interested. Christine

Canon Mark will be running in the Newport Marathon on Sunday 29th April. If you are interested in sponsoring him, please see the form in the St Mary Chapel. He is raising funds for Newport Mind. He says he will run the race 'with perseverance', as St Paul once said, but your prayers are most welcome too, as he trots around the course.

Many of you will remember a young couple from Iran who worshipped with us in the Spring of last year whilst pursuing an asylum claim. Seppideh was already allowed to reside here but Massoud had had his application rejected. That has now been overturned on appeal at which I spoke on behalf of the Church, and he now has Leave to Remain in the UK. They can now legally get married here and he can find work. They are grateful to people at the Cathedral for their welcome, support and prayers during this nail-biting process. LT

Birth announcement: Simon and Justyna have had a baby boy (12th April) His name is Thomas Oskar Martin and weighed in at 9lb. We congratulate them and wish father, mother and baby well.

The next **Newport Cathedral Newsletter** is due out at the beginning of June, and so now's your chance to submit a contribution for us to consider for publication. The buzzword for the newsletter is 'Outreach', and we are looking for topics that serve to introduce our wonderful Cathedral to readers from far and wide, as well as to others closer to home who may know little of what is on offer here, to visitors and tourists, to pilgrims, to the community. Have a word with, or send contributions to, Sian (sian.king@dsl.pipex.com) or Brian (brian.king@dsl.pipex.com).
